The Cully Association of Neighbors is a non-profit volunteer organization whose members strive to enhance the livability of the neighborhood. We meet to make Cully a better place to live by working together on issues and activities, connecting with neighbors, businesses and governmental agencies.

The CAN meets every second Tuesday of the month, from 7-9 pm, except during July and August, at the Grace Presbyterian Church located at 6025 NE Prescott. Enter on the eastside of the building.
