Accessory Short-Term Rental Permit – 1&2 Dwelling Structure

Hello Neighbors, Neighborhood Representatives, and Property Owners,

The City of Portland's Title 33 Planning and Zoning Code Section 33.207 allows me to rent up to two bedrooms in my residence to overnight guests on a short-term basis (less than 30 days). You are receiving this notice because as part of the permit application I am required to mail or deliver this notice to the Neighborhood Association and Neighborhood District Office in which my home is located; the property owner, if not me; and all property owners with properties abutting, directly and diagonally across the street from my residence. (See figures below for permit notice area)

Below is a brief description of my proposed accessory short-term rental—including number of bedrooms to be rented and how the operation will meet the zoning code general regulations summarized on page 2 of this notice. I have also included relevant information you might find useful (where my guests will be parking, how they will be accessing my residence, etc.)

We will be renting out the small house (ADU) behind our main house for short-term rentals. There is one bedroom in the ADU. The maximum amount of people who will rent the ADU at one time will be two people. Renters will use the parking spot directly in front of our house.
