This notice is given at the requirement of the Bureau of Development Services of the City of Portland.

A sign will be installed today at the proposed site that describes the process, and contains a copy of the proposed site plan, and contact information.

The proposed project is for a 11 unit cottage cluster project of single family homes located at 6014 NE Mason ST. Each home is a two story home meeting the City's requirements for Cottage Cluster Development.

Attached to this email is a copy of the site plan and sign as required.

I am the applicant on behalf of the owner. My contact information is below as required by the Bureau of Development Services of the City of Portland. The Bureau of Development Services of the City of Portland has information

Available about such projects, the process, and requirements on their website at Portland.gov. The requirements for this project do not require a neighborhood meeting. There are no requested adjustments to the code

or any environmental reviews required for this project.

Thank you very much,
