### Next Steps for the East Portland Kmart Site

Community members and NCA (Neighborhoods for Clean Air) are hosting a gathering to discuss the background, current status and potential for change regarding a large, polluting distribution center.

As you likely know, this center is planned for the Argay Terrace/Parkrose neighborhood. If it moves forward as currently planned, it will spread diesel pollution from trucks traveling through and idling to nearby schools, residential homes and nearby neighborhoods.

**When:** Thursday, March 23rd. Doors open at 6pm, meeting begins at 6:30.
